Subj: Freedom of Information Act (FOIA) request for documents
Ref: BPA FOIA format used herein

From BPA - *A Freedom of Information Act (FOIA) request must contain the following elements:*

1. *A statement that this is a request under the Freedom of Information Act.*

This request is made under the Freedom of Information Act for documents.

2. *A reasonable description of the documents sought.*

The Wedson Substation located near Florence Oregon 97439 is accessed via a county maintained road named Bernhardt Height Road. The documents sought pertain to this road and a proposal by Lane County to build a new road through the Wedson Substation using its current access driveway which passes within 200 feet of the terminal farm. The documents sought are:

All internal and external documents, memo, correspondence, reports, etc. received and created relating to the present, and also the proposed new, Bernhardt Heights Road from 1 Jan 1980 to 31 Dec 2002. Anything in that period pertaining to the Substation's driveway is part of this since it will be used as 1/2 the new Bernhardt Heights Road then go across more BPA lands.

3. *A requester's status is needed to help determine the appropriate assessment of fees.*

I am an individual seeking information for personal and not commercial use. I am living in one of the seven permanent residences using the existing dead-end road to be replaced by the new proposed million dollar dead-end road. I am also an immediate neighbor of the Substation.

4. *A requester must state a willingness to pay for costs resulting from the processing of a request. BPA charges no fee when the processing cost is less than \$15.*

I am willing to pay fees for this request up to a maximum of \$150. If you estimate the fees will exceed this number, please inform me first, so that I can consider increasing the figure.

5. *Tell us how you would like us to contact you:*

My mailing location on Bernhardt Heights Road is given above. I am best contacted with questions via my email of Keith@TheUS.Com while my telephone number is 541-997-1398.
